- JEBE is the Junior Enterprise founded by the Students of Sant'Anna School of Advanced Studies
- We offer consulting services to both start-ups and bigger companies.

Our *Strength* is our *Diversity*!
Different approaches to the problem come together at
JEBE, leading to an *extraordinary* single body.

11 Engineers

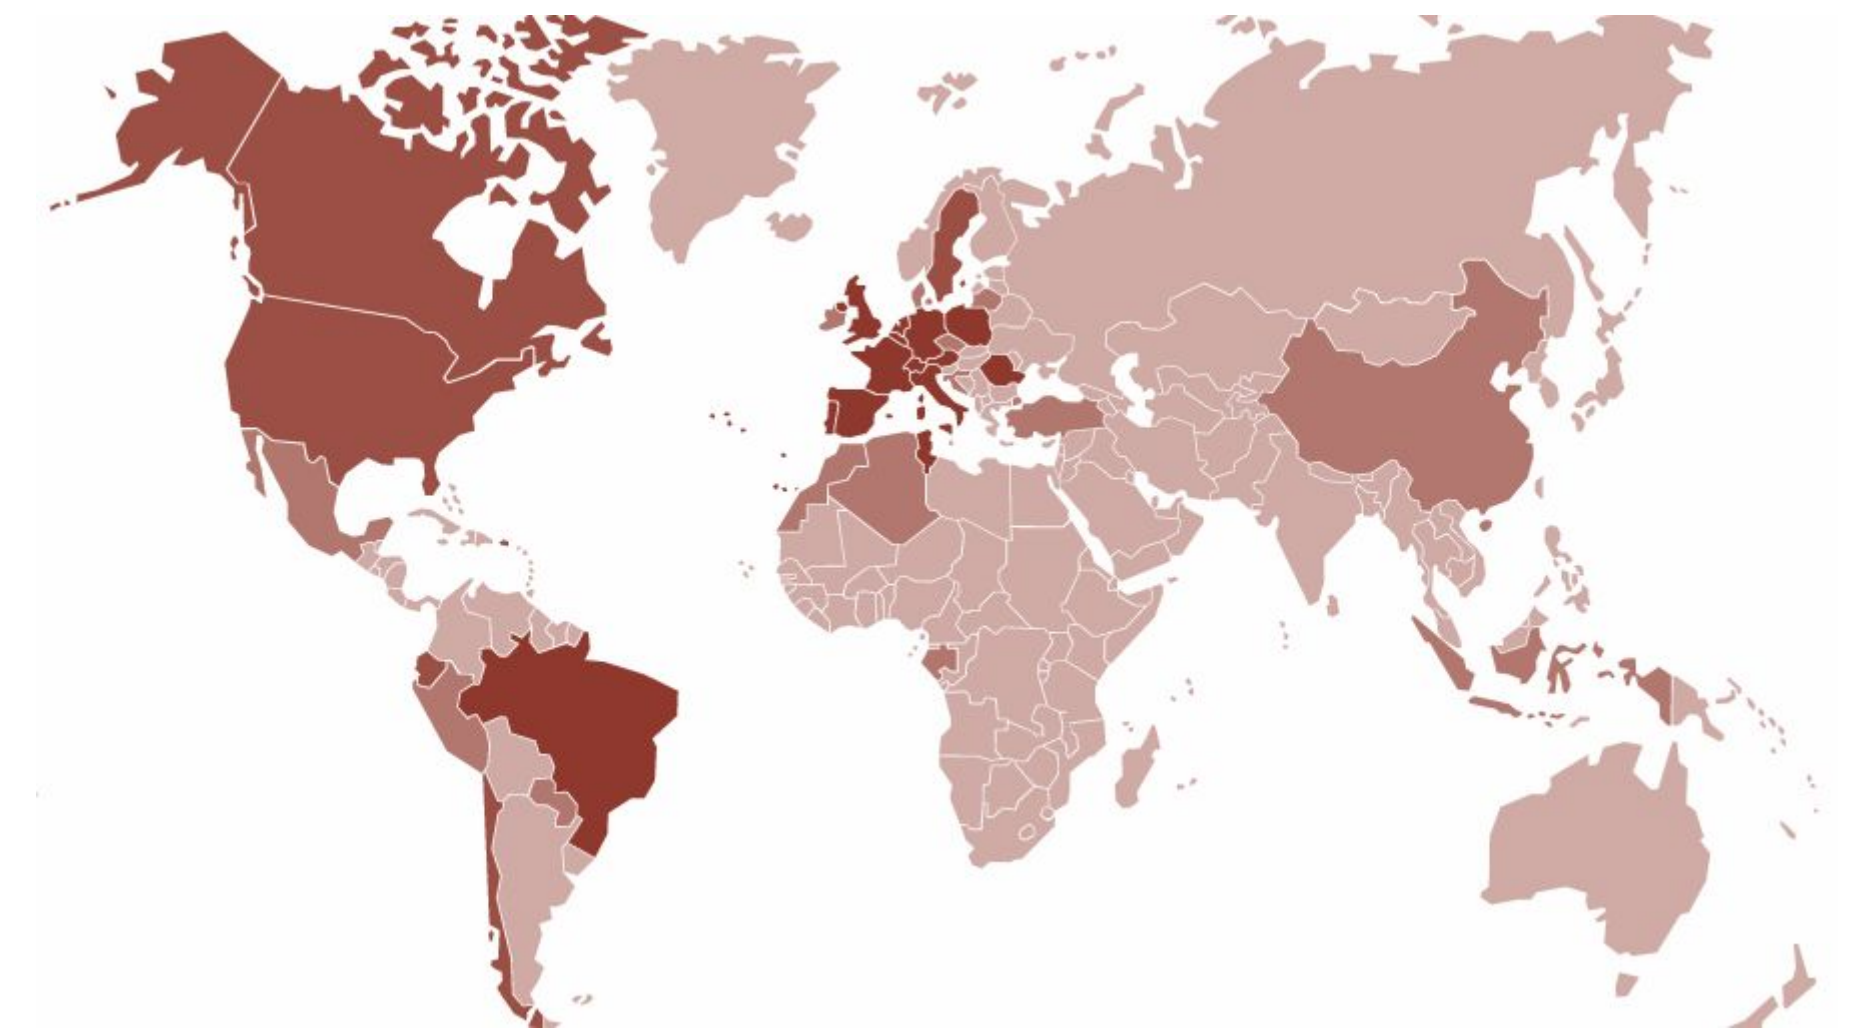

8 Economists

4
Lawyers

The Network:

JADE, as the European Confederation of Junior Enterprises, is the international non-profit umbrella-organisation of associations across Europe.
